What is Trilogy?

Trilogy is a nonprofit organization that provides comprehensive integrated care that enables people in mental health recovery to build meaningful and independent lives. Trilogy has been helping people move toward mental health recovery for 50 years.

What is MRSS?

Trilogy's Mobile Response & Stabilization Services (MRSS) provides support to individuals in crisis when and where support is needed. Trilogy's mobile crisis response team of mental health professionals will help you stay safe. In addition, we will create a safety plan and determine options for ongoing support.

Where is MRSS available?

Trilogy's Mobile Response & Stabilization Services are available throughout the North and Northwest suburbs and the South Side of Chicago.
